

Thompson Rivers University (TRU) provides many paths to learning, a hands-on-approach and a supportive, inclusive environment to over 25,000 regional, national, and international learners and their communities. Research, creation and innovation are integrated into teaching and learning in over 140 on-campus programs and 60 Open Learning programs. TRU's spectacular main campus is at the heart of Kamloops, a city of 90,000 in BC's sunny interior. Enjoy four seasons of outdoor adventures, a vibrant and rich cultural scene with diverse social and economic opportunities.

TRU's School of Nursing (SON) has just launched its Master of Nursing with its inaugural class, 2017. The SON also offers a BScN in nursing on our Kamloops campus, with our Williams Lake campus offering students the first 2 years of the BScN program then transitioning for their final two years at the Kamloops campus. In addition, the SON offers program for Practical Nursing and Health Care Assistant programs as well as Open Learning programs.

The School of Nursing seeks applications for a dynamic full-time tenure track tripartite position at the Assistant, Associate or Full Professor rank. The successful applicants will teach undergraduate and graduate-level courses, both theory and practice. The successful candidate will have a developed program of research and engage in service to the University/Community. Anticipated start date is by January 2018 (some flexibility).
