CASN Digital Health Workshop: Building Faculty Capacity
Thursday, June 8, 2017
Université de Moncton – Nursing Building

Workshop Facilitators: Lynn Nagle, PhD, RN, FAAN & Karen Furlong, PhD, RN

> **Workshop Objectives: Participants will:**
>
> 1. have a clear understanding of CASN's digital health support tools for undergraduate nursing education;
> 2. leave with a deeper understanding of where and how digital health intersects with nursing care; and
> 3. learn strategies for integrating this content into nursing programs.
