IMPORTANT
Stay in the vehicle and complete the steps below with your driver.

OPEN THE APP AND PAIR
Follow these steps to pair with your driver's tablet.

1 Open our app
Tap the **PAIR & PAY** button at the top-right of the app.

2 Enter the driver's car number
Search for your driver and enter the car number. The number is on the outside of the vehicle or you can ask the driver.

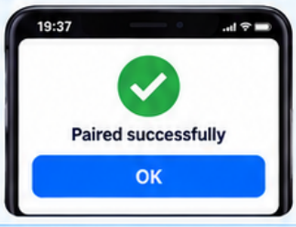

Example: 9914

3 Enter the pairing code
The driver will give you a 4-digit pairing code from their tablet.
Enter the code in the app and tap **Pair now.**

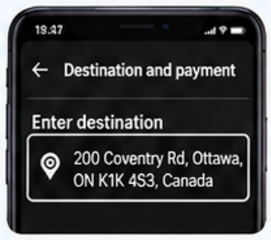

4 Paired with the driver
A confirmation message will appear when pairing is successful.
Tap **OK** to continue.

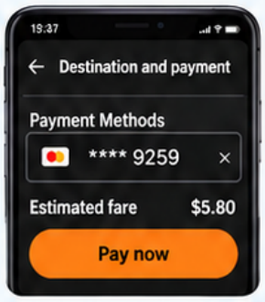

ENTER DESTINATION & PAY
Complete these steps to set your trip and payment.

5 Enter your destination
Enter your destination address in the app.

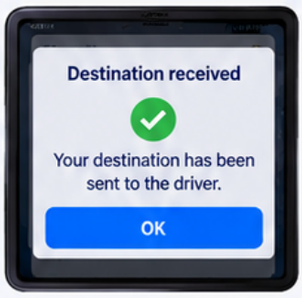

6 Select payment method and tap PAY NOW
Choose your payment method (e.g. credit card) and tap **PAY NOW.**
This step is **REQUIRED** to complete pairing and payment setup.

CONFIRMATION
Your destination will appear on the driver's tablet.

7 You're all set!
Your destination has been sent to the driver's tablet.
You can now sit back and enjoy your ride.

IMPORTANT NOTES

- Stay in the vehicle and complete all steps with your driver.
- You must enter your destination and tap **PAY NOW** to finish the process.
