| 0830 – 0845 | Welcome and Call to Order Business Arising Approval of Minutes Approval of Agenda |
| 0845 – 0900 | Opening Remarks A look back and a look forward at graduate nursing studies in Canada. |
| THEME 1: | Increasing the Next Generation of Nursing Faculty |
| 0900 – 0920 | Who Will Educate the Next Generation of Nurses? The results of the 2014-2015 student and faculty survey further illustrated a trend that has been emerging over the last four years; while admissions to programs for registered nurses have remained high and relatively stable across Canada, the admissions to doctoral programs (the requirement for many faculty positions) has not increased in proportion to the projected retirements of current faculty. This session will explore the statistics, and their implications, further. |
| 0920 – 1010 | Accessibility and Retention of New Staff A panel of experts will present on a variety of issues affecting the accessibility and retention of new staff, including the recruitment of tenure-tracked faculty, timely completion strategies for graduate students, and the accessibility of graduate studies. |
| 1010 – 1040 | Question and answer period with panel presenters |
| 1040 – 1100 | <i>Refreshment Break</i> |
