

## 2018 Canadian Nursing Education Conference Program

**MONDAY, MAY 28<sup>TH</sup>, 2018**

MONDAY, MAY 28 <sup>TH</sup> , 2018							
0730 – 0830 – Breakfast / Petit-déjeuner							
0830 – 0900 – Opening Remarks							
0900 – 1000 – Opening Keynote / Discours liminaire Louise Nasmith							
1000 – 1030 – Refreshment break / Pause-café							
Room	Maisonneuve A	Maisonneuve B	Maisonneuve C	Maisonneuve D	Maisonneuve E	Maisonneuve F	Terrasse
	Scholarship of Teaching and Learning – Research Rigor for Nursing Education  Panel/Symposia Sessions Séances de discussion/plénières	Scholarship of Teaching and Learning – Research Rigor for Nursing Education  Panel/Symposia Sessions Séances de discussion/plénières	Scholarship of Teaching and Learning – Research Rigor for Nursing Education  Panel/Symposia Sessions Séances de discussion/plénières	Scholarship of Teaching and Learning – Research Rigor for Nursing Education  Panel/Symposia Sessions Séances de discussion/plénières	Innovative teaching/learning methodologies  Panel/Symposia Sessions Séances de discussion/plénières	Graduate Education  Panel/Symposia Sessions Séances de discussion/plénières	Changing demographics, changing demands  Panel/Symposia Sessions Séances de discussion/plénières
1030 - 1130	Representation of Race in Nursing Knowledge  Primary Presenter: Maki Iwase, Rio Rodriguez, Maha Hassan	An exploration of nursing educational scholarship at McMaster  Primary Presenter: Janet Landeen, Kathryn Fisher, Helen Kirkpatrick, and Joanna Pierazzo	A Changing World Reflection: Understanding narrative inquiry based nursing education through the journey of program learners and preceptors.  Primary Presenter: Baiba Zarins, Louela Manankil-Rankin and Katalin Pere	Positive, Collective Action to Reverse a Negative-Sum Situation: Grade Deflation and Expansion Action Plan  Primary Presenter: Shelley Cobbett	Graduate nursing students dwelling with visual art: using art gallery experiences to reawaken perception and understanding  Primary Presenter: Rosemary Wilson	Application of a curriculum review framework to guide renewal of graduate nursing education  Primary Presenter: Denise Bryant-Lukosius	Reconciliation and Indigenization in Nursing Education  Primary Presenter: Lynn Jansen and Heather Exner-Pirot
	Changing demographics, changing demands  Concurrent Sessions / Sessions Simultanées	Scholarship of Teaching and Learning – Research Rigor for Nursing Education  Concurrent Sessions / Sessions Simultanées	Innovative teaching/learning methodologies  Concurrent Sessions / Sessions Simultanées	Innovative teaching/learning methodologies  Concurrent Sessions / Sessions Simultanées	Innovative teaching/learning methodologies  Concurrent Sessions / Sessions Simultanées	Graduate Education  Concurrent Sessions / Session Simultanée	Graduate Student Concurrent Sessions
Room	Maisonneuve A	Maisonneuve B	Maisonneuve C	Maisonneuve D	Maisonneuve E	Maisonneuve F	Terrasse
1130 - 1150	Student Perception of Initial Transition into a Nursing Program: A Mixed Methods Research Study	Strategies to Improve Success the NCLEX: An Integrative Review	Curriculum Innovation: Transforming undergraduate practice based learning to meet shifting trends in professional	The 'CRAB' project: An innovative student-faculty partnership using forum theatre to address bullying	The use of high fidelity simulation in an interprofessional education workshop	The development of self-efficacy during graduate education: Do I really belong?	Le développement d'un environnement numérique à l'apprentissage du raisonnement clinique infirmier

	Primary Presenter: Janine Brown	Primary Presenter: Linda McGillis Hall	practice contexts for nurses Primary Presenter: Cathryn Jackson	Primary Presenter: Patricia Rodney	Primary Presenter: Madeline Press	Primary Presenter: Francine Laurencelle	: implications théoriques et pédagogiques. Primary Presenter: Marie-France Deschênes
1150-1210	What it means to be a nurse educator: Do I stay or do I go?  Primary Presenter: Francine Laurencelle	The science behind gut feelings in clinical nursing education  Primary Presenter: Mohamed El Hussein	Community Nursing Students Food Asset Mapping Project  Primary Presenter: Anne Lamesse	Comparison for three debriefing methods used in virtual gaming simulation  Primary Presenter: Paula Mastrilli	Perceptions of newly graduated nurses of learning pharmacology through skeletal outlines and illustrative diagrams in an undergraduate BScN program: Study Protocol  Primary Presenter: Christina McMillan Boyles	The Process of Teaching Caring as a Multidimensional Phenomenon in Undergraduate  Primary Presenter: Latifah Almater	Le compagnonnage cognitif: une approche pédagogique au développement du raisonnement clinique infirmier.  Primary Presenter: Marie-France Deschênes
1210-1230	Incorporating medical assistance in dying (MAiD) as an end-of-life care option into health curricula: A cross sectional observational study  Primary Presenter: Janine Brown	What is practice readiness? A concept analysis  Primary Presenter: Dawn Prentice	Creating Student Online Community of Inquiry through Online Discussion  Primary Presenter: Hossein Khalili	A model for sustaining NCLEX success  Primary Presenter: Leonita Cutright	Teaching and learning intentionally: A integrative pedagogical approach for contemporary nursing education  Primary Presenter: Natalie Matthews	Preparing the change agents of tomorrow: Development of a knowledge translation (KT) stream for a professional master's program in nursing  Primary Presenter: Sonia Semenic	Le développement de l'autonomie professionnelle des infirmières nouvellement diplômées sur les unités de soins intensifs  Primary Presenter: Emilie Daigle
1230 – 1330 – Lunch / Déjeuner							
1330 – 1430 - Poster Sessions / Présentations d'affiches							INFOWAY Focus Group
1430 – 1500 – Refreshment break / Pause-café							
	Changing demographics, changing demands  Concurrent Sessions / Sessions Simultanées	Scholarship of Teaching and Learning – Research Rigor for Nursing Education  Concurrent Sessions / Sessions Simultanées	Innovative teaching/learning methodologies  Concurrent Sessions / Sessions Simultanées	Innovative teaching/learning methodologies  Concurrent Sessions / Sessions Simultanées	Innovative teaching/learning methodologies  Concurrent Sessions / Sessions Simultanées	Graduate Education  Concurrent Sessions / Session Simultanée  Changing demographics, changing demands	Graduate Student Concurrent Sessions
Room	Maisonneuve A	Maisonneuve B	Maisonneuve C	Maisonneuve D	Maisonneuve E	Maisonneuve F	Terrasse
1500 - 1520	More new and fresh: how digital media enhance rural preceptorships	Developing inter-rater reliability: a Provincial Perspective of a train-the-	Responding to the Opioid Abuse Epidemic with Simulation-Based Learning for Nursing Students	Student-based interprofessional initiative to enhance trauma informed care	Clinical Evaluation as Authentication in a Caring Science Curriculum:	Implementation of an international exchange program to support a graduate	Mnemonic- based teaching: An approach to Facilitate the Management of Liver Cirrhosis

	Primary Presenter: Jim Cockell	trainer model for instrument development  Primary Presenter: Yujin Lim and Suzanne Campbell	Primary Presenter: Dana Chorney Patricia Munro-Gilbert	pedagogy  Primary Presenter: Jodi Hall & Rachelle Marek	Transcending the Behaviourist Paradigm  Primary Presenter: Marcia Hills	program in global health nursing  Primary Presenter: Sonia Semenic	Primary Presenter: Mohamed El Hussein
1520 - 1540	An exploration of Undergraduate Nursing Faculty processes and methods of incorporation of multicultural teaching strategy  Primary Presenter: Juliet Onabadejo	Instrument development for assessment of non-technical skills: global evaluation provider-patient communication-interprofessional use.  Primary Presenter: Suzanne Campbell	Teaching Cultural Safety through Simulation  Primary Presenter: Tania Kristoff	It all adds up to patient safety: An innovative remediation strategy to enhance math competency and dosage calculations for nursing students.  Primary Presenter: Sara Lankshear	Nightingale Fellows Program: An Inter-establishment collaboration between academic & clinical settings allowing for a smoother transition from student nurse to new clinician.  Primary Presenter: Lia Sanzone	Adventures in Graduate Supervision  Primary Presenter: Marilyn Macdonald	Association between nurse education and the risk of mortality and failure to rescue in acute care hospitals: a longitudinal study  Primary Presenter: Li-Anne Audet
1540 - 1600	Pedagogical strategies to engage in a dialogue about racialization and marginalizing practices in healthcare  Primary Presenter: Amelie Blanchet Garneau	Aseptic technique: Do we use what we know? Medical-surgical nurses' knowledge and perceptions of asepsis in practice.  Primary Presenter: Anne Marie Lewis	Ethics case studies to prevent or mitigate moral distress in global and indigenous health nursing education  Primary Presenter: John Pringle	Using Photovoice to Enhance Community Assessment: Exploring the Concept of Health in a Cross-Cultural Community Practice Education Experience in India  Primary Presenter: Kim Thiessen	Role preparation and support for clinical instructors in the traditional clinical education model: From the stakeholders' perspectives  Primary Presenter: Florence Luhanga	Uptake of the CASN Entry-to-practice Public Health Nursing Competencies in Generalist Undergraduate Preparation: Implications for education and practice.  Primary Presenter: Ruth Schofield	Association between nurse education and experience and the risk of mortality and adverse events in acute care  Primary Presenter: Li-Anne Audet
1600 - 1620	A comparative analysis of the change in Canadian nurse pass rates on the NCLEX: nursing health human resources considerations  Primary Presenter: Linda McGillis Hall	Supporting Indigenous students: cultural competence as problematic  Primary Presenter: Kay Vallee	The Evolution of McGill's Ingram School of Nursing Student Nurse Peer Mentorship Program (NPMP).  Primary Presenter: Lia Sanzone	"Stretching my mind to look at things in different ways": An Innovative Interprofessional Learning Activity  Primary Presenter: Lisa Semple	CORNER: A Brokering Model for Community Placements  Primary Presenter: Mina Singh	Graduate Student Concurrent / Sessions Simultanées The experiences of expert nurses navigating their new clinical instructor role.  Primary Presenter: Samantha Latt	The outpost nursing role in Nunavik: toward a conceptualization and a definition  Primary Presenter: Céleste Fournier
1620 - 1640	Evidence informed principles of ethical transition of internationally educated nurses into practice in Canada  Primary Presenter: Patricia Bradley	Identifying Indicators of National Council Licensure Examination for Registered Nurses (NCLEX-RN): Success of Nursing Graduates in Newfoundland and Labrador (NL).  Primary Presenter: April Manuel	Teaching the Lost Art of Nursing  Primary Presenter: Claudia Steinke	A project to enhance the inclusivity of language used in curricula and learning resources  Primary Presenter: Shelley Masse	Reinforcing Baby-Friendly Initiative (BFI) Strategies and Team Care using Simulation.  Primary Presenter: Suzanne Campbell	Graduate Student Concurrent / Sessions Simultanées Exploration de l'influence du questionnement sur la promotion du raisonnement clinique infirmier en contexte d'apprentissage par problèmes : une étude de cas  Primary Presenter: Sophia Merisier	Shaping Clinical Imagination in Maternal-Child Simulation: The Lived Experience of New Graduate Nurses  Primary Presenter: Laurie Peachey
1640 -	Canadian national	Becoming scholars through an	The added value of caring	Embedded Formative	Illustrated stories in	Graduate Student Concurrent /	Exploring institutional theory

1700	accreditation system for internationally education nurses bridging education programs: development and outcomes  Primary Presenter CASN ACESI	online cohort of a PhD in nursing program  Primary Presenter: Pauline Paul	science: its contributions to humanize nursing education  Primary Presenter: Chantal Cara	Assessment: An effective teaching/learning methodology in nursing  Primary Presenter: Judy Woods	pathophysiology: A cartoon based teaching strategy  Primary Presenter: Mohamed El Hussein	Sessions Simultanées Liminality and thresholds: The experience of transition for collaborative baccalaureate nursing students  Primary Presenter: Mary Anne Krahn	and nursing education research: a work-in progress  Primary Presenter: Vanessa Sheane
1800 – 2000 – Reception CAF-CON room							

**TUESDAY, MAY 29, 2018**

0730 – 0830 – Breakfast / Petit-déjeuner							
0830 – 0930 – Key Note speaker Jean Hughes							
0930 – 1000 – Refreshment break / Pause-café							
	Changing demographics, changing demands  Concurrent Sessions / Sessions Simultanées	Scholarship of Teaching and Learning – Research Rigor for Nursing Education  Concurrent Sessions / Sessions Simultanées	Innovative teaching/learning methodologies  Concurrent Sessions / Sessions Simultanées  Concurrent Sessions / Sessions Simultanées	Innovative teaching/learning methodologies  Concurrent Sessions / Sessions Simultanées	Innovative teaching/learning methodologies  Concurrent Sessions / Sessions Simultanées	Scholarship of Teaching and Learning – Research Rigor for Nursing Education  Concurrent Sessions / Sessions Simultanées	Support of New Faculty  Concurrent / Sessions Simultanées
Room	Maisonneuve A	Maisonneuve B	Maisonneuve C	Maisonneuve D	Maisonneuve E	Maisonneuve F	Terrasse
1000 - 1020	Québec First Nations Communities' nurses competencies framework: implications for nursing education  Primary Presenter: Amelie Blanchet Garneau	Intentional approaches to the formation of values, attitudes, and norms in undergraduate nursing programs  Primary Presenter: Craig Duncan	Interprofessional education: How much and when?  Primary Presenter: Linda Ferguson	Aging Nurses Who Live and Work With Chronic Illness: Responding to the Needs of a Changing Workforce  Primary Presenter: Sue Ann Mandville-Anstey	Reinforcing Previously Learned Skills and Encouraging Critical Thinking to Support Positive Patient Outcomes: A Comprehensive Medical/Surgical Simulation for Third Year BN Students  Primary Presenter: Andrea Barron	Evaluating the efficacy of an on-line module for learning arterial blood gas analysis and interpretation for undergraduate nursing students  Primary Presenter: Jana Lok	Critical Friendship and Inter-Faculty Collaborative Inquiry: Education and Nursing  Primary Presenter: Lisa Moralejo Lindsay Kennedy
1020 - 1040	Nursing practice during a mission in Nepal: Ethics and leadership  Primary Presenter: Lorena Bonilla	Professional identity formation in nursing education: A scoping review  Primary Presenter: Anne Simmonds	La simulation haute authenticité ou comment développer les compétences relationnelles des futures infirmières  Primary Presenter: Christine Genest	Competency development: French Canadian adaptation and validation of the Lasater clinical judgment rubric©  Primary Presenter: Pierre Godbout	Globally networked learning: Linking Canadian and Danish nursing students  Primary Presenter: Jacqueline Limoges	A step in the right direction: Addressing bullying experienced by nursing students  Primary Presenter: Patricia Rodney	Nursing faculty recruitment & retention: A theory of motivation  Primary Presenter: Jessica Wyllie
1040 - 1100	How an online situational judgement test (CASPer) promotes diversity  Primary Presenter: Harold	Building Community Undergraduate Nursing Education through Strength Based Approaches	Designing and implementing a serious virtual simulation game focusing on the older adult with urosepsis as a full game and as a presimulation preparation activity for	Empowering students to drive change  Primary Presenter: Claire Mallette	Stop. Motion. Animation. - Facilitating Student Learning in a Nursing Pathophysiology Class  Primary Presenter: Candace Walker	Carrying knowledge forward across the disciplines: A study on how nursing students use concept mapping to carry knowledge from A+P into pathophysiology and	Noticing, interpreting, responding and reflecting – guiding clinical teaching judgment: Application of Tanner's clinical judgment

	Reiter	Primary Presenter: Francoise Filion	undergraduate nursing students Primary Presenter: Laurie Peachey			beyond Primary Presenter: Joanne Bouma	model to novice clinical teachers Primary Presenter: Kathy Rodger
1100 - 1120	Bridge Program for RN Internationally Educated Nurses (BIEN-RN) at Fanshawe College; Challenges & Successes Primary Presenter: Hossein Khalili	How do nursing students feel about the learning activities used to “flip the classroom” in pathophysiology? Primary Presenter: Jane Mackie	Creating an open-access e-resource to address faculty and student learning needs related to digital health technologies Primary Presenter: Kristine Crosby	Protocole d'une étude comparative des apprentissages, de la satisfaction et de la confiance Primary Presenter: Catherine Pepin	Stage one nursing student's perception of learning with technology in Ireland: a descriptive study Primary Presenter: Kate Lynam-Loane	Implementation of a Integrated Laboratory to support entry-to-practice readiness and pre-licensure exam anxiety in final year BScN students Primary Presenter: Tammie McParland	Professional development descriptors as the basis of a 7- hours online course for tutors Primary Presenter: Louise-Andrée Brien
1120 - 1140	AACES: Academic accommodations campus experiences of students living with disabilities Primary Presenter: Laurie Clune	Mixed methods evaluation of context-based learning and nursing students' critical thinking dispositions. Primary Presenter: Anne Arthur	Bringing Health Education to Indigenous Communities in Canada: A Model to Enhance the Determinants of Indigenous Peoples' Health . Primary Presenter: Harrison Applin	Perioperative success through orientation cohorts Primary Presenter: Jessica Wyllie	The Fort McMurray wildfire: learning from nurses to inform a virtual simulation on disaster response Primary Presenter: Patricia Gregory	Strengthening Academic Nursing Networks: The McGill Nursing Collaborative for Education and Innovation in Patient- and Family-Centered Care Primary Presenter: Christina Clausen	Qu'est-ce qui motive les médecins et infirmières formés en français à s'impliquer dans la formation? Primary Presenter: Pierre Godbout
1140 - 1200	Telling tales: Digital storytelling as a tool to engage undergraduate nursing students interest in rural nursing practice Primary Presenter: Kim English	Experiences of students and instructors with cooperative testing in the Middle Eastern context Primary Presenter: Zohra Hasnani-Samnani	Student-faculty partnerships in nursing education: A necessity for the future Primary Presenter: Presenters – Lynn Martin (primary), Anastasia Chouvalova, Katherine McLean, Elaine Shuhaibar, and Shawna Lebouthillier	Easy management of a complex project – the creation of a toolkit to improve access for nursing faculty to their regulator resources Primary Presenter: Beverlie Johnson	Understanding nurses needs for professional development programs of non-clinical skills and preferred learning methodologies Primary Presenter: Lisa Ashley	Developing educational competencies - a modified Delphi approach Primary Presenter: Leah Watts	Who will educate the next generation of nurses? Primary Presenter: Siobhan Bond
1200 - 1220	Continuing nursing education: A needs assessment survey of rural and remote Saskatchewan registered nurses Primary Presenter: Michelle Pavloff	Backing up the bus: Exploring the hierarchies in university and college nursing programs to advance intra-professional collaboration Primary Presenter: Jacqueline Limoges	Bringing it to the bedside: The simulation games Primary Presenter: Cheryl Besse	Inside the mind of an expert nurse: The Safe Care Framework Primary Presenter: Hirpal Hundial	Soutenir le bien-être des étudiants par une approche de pairs-aidant : le programme PASIUM. Primary Presenter: Christine Genest, Caroline Larue, Johanne Goudreau et Valérie Boucher	How am I doing? A Formative Feedback Process for Clinical Education in Nursing. Primary Presenter: Sandra Filice	Development of a competency based faculty development framework to support novice to expert nurse educators Primary Presenter: Eileen Shackell
1220 – 1330 – Lunch / Déjeuner							
	Changing demographics, changing demands Concurrent Sessions / Sessions Simultanées	Scholarship of Teaching and Learning – Research Rigor for Nursing Education Concurrent Sessions / Sessions Simultanées	Scholarship of Teaching and Learning – Research Rigor for Nursing Education Concurrent Sessions / Sessions Simultanées	Innovative teaching/learning methodologies Concurrent Sessions / Sessions Simultanées	Innovative teaching/learning methodologies Concurrent Sessions / Sessions Simultanées	Graduate Education Concurrent Sessions / Sessions Simultanées	Support of New Faculty Concurrent Sessions / Sessions Simultanées
1330 - 1350	Nursing students' attitudes toward undocumented immigrants: Exploring the current curriculum Primary Presenter: Lisa Seto	Kahoot! as game-based assessment: opinions and perceptions of first year nursing students Primary Presenter: Andrea Gazzelloni	Evaluating course based interprofessional activities utilizing the Kirkpatrick evaluation hierarchy Primary Presenter: Carolyn Wolsey	Responding to a changing world: Enacting gender and multi-partner inclusivity within BScN family nursing content. Primary Presenter: Nancy Lada and	Résultats de l'étude de l'impact de deux types de simulations sur l'auto-efficacité, l'anxiété et la performance d'étudiantes en soins infirmiers	Development of Entry-to-Practice Gerontological Care Competencies for Undergraduate Nursing Primary Presenter Lori Schindel Martin	INFOWAY Focus Group

	Nielsen			Jen Carroll	Primary Presenter: Isabelle Ledoux		
1350 - 1410	Letting go: Engaging students through videotaped lectures  Primary Presenter: Linda Ferguson	Caring Pedagogy to Foster the Growth and Development of Professional Caring in Students  Primary Presenter: Claire Mallette	Engaging millennial nursing students using a modified “flipped classroom” teaching format  Primary Presenter: Sara Belton	Build a patient  Primary Presenter: Kathy Rodger	Using contextualization to apply knowledge  Primary Presenter: Sandra Carter	The Educational Gaps of Nurses in Entrepreneurial Roles: An Integrative Review  Primary Presenter: Antonia Arnaert	INFOWAY Focus Group
1410 - 1430	Shifting curricular approaches to supporting LGBTQ+ health  Primary Presenter: Kim English	Anxiety associated with skills performance in fourth-year undergraduate nursing students  Primary Presenter: Charlotte Lee	From observation to active engagement: Student evaluations of professional practice placements  Primary Presenter: Sukhi Brar, Mary Anne Krahn and Thelma Riddell	Understanding empathic engagement: The space between  Primary Presenter: Kara Sealock	Positioning Experiential Learning on The Front Line: Undergraduate Students Exposed to Public Health Nursing Through Simulated Person Methodology  Primary Presenter: Monica Gola	SafeHome App Promoting Safe Environments for Persons Living with Dementia.  Primary Presenter: Eva Peisachovich	INFOWAY Focus Group
1430 - 1450	Corporatization and its effect on nursing education  Primary Presenter: Linda Ferguson	The impact of mainstream education in nursing program: a systematic review  Primary Presenter: Frederic Douville	Too clever to be lured by a predatory publisher? Perhaps not!  Primary Presenter: Donna M Romyn	Using Online Education Resources and Interprofessional Education Principles to Teach  Primary Presenter: Lynn Miller	Bringing teamwork to life: Interprofessional education (IPE) using simulation with undergraduate students.  Primary Presenter: Karen Jukes	Measuring student responses in and instructors’ perceptions of teacher evaluation questionnaires (TEQs), Pre and post intervention.  Primary Presenter: Lisa Moralejo	Transforming attitudes towards aging in beginning level nursing students  Primary Presenter: Sue Ann Mandville-Anstey
1450 - 1510	Graduate Student Concurrent / Sessions Simultanées Peer Storytelling and Mentorship to move beyond Diversity in the Clinical setting and Stress of Nurses’ Caring  Primary Presenter: Cory Burdock	The Canadian academic nurse educator’s perceived value of certification  Primary Presenter: Patricia Bradley	Contemporary nursing practice education: Notes on implementing a new approach to engage students in clinical practice learning  Primary Presenter: Natalie Matthews	Purposeful art, connection and social change: Impacts of an innovative community-based art therapy program  Primary Presenter: A. Shireen Bell	Simulated Clinical Placement: Using simulation to introduce students to clinical responsibilities  Primary Presenter: Ruth LeBlanc	Self-Study as a continuous professional learning approach for becoming a better clinical instructor  Primary Presenter: Judy Woods	Nursing student reflections on interprofessional shadow experiences  Primary Presenter: Alison Fyfe-Carlson
