

**DEPARTMENT OF NURSING & HEALTH SCIENCES
FACULTY OF SCIENCE, APPLIED SCIENCE & ENGINEERING
UNB SAINT JOHN**

Applications are invited for a tenure-track **Instructor or Senior Instructor** appointment in the Department of Nursing & Health Sciences. This position involves classroom, practice, and laboratory teaching responsibilities in the undergraduate program. All candidates must have a Bachelor's degree in Nursing with at least a Master's in Nursing completed; a PhD in progress would be a definite asset. We are most interested in individuals who have a proven track record in teaching excellence, with a clinical focus in a variety of practice areas. Candidates for this position must be eligible for registration with the Nurses Association of New Brunswick and hold registration prior to appointment. Registration must be maintained throughout employment. This position is anticipated to commence on July 1, 2018 and is subject to final budgetary approval.

Our vision is to be the program of choice for nursing by seeking, applying and advancing nursing knowledge through exceptional and transformative teaching-learning experiences. The Department of Nursing and Health Sciences is part of a fully nationally accredited and approved provincial nursing program offering Bachelor of Nursing (BN) and Bachelor of Health Sciences degrees. There are two entrance options into the BN program: a basic four-year full-time stream and a post-Registered Nurse. The Department also collaborates with the Faculty of Nursing at UNB Fredericton to offer a graduate nursing program.

The University of New Brunswick Saint John is situated at Tucker Park and participates in an interprofessional educational approach for healthcare students. The university is adjacent to the Saint John Regional Hospital – the province's tertiary care centre, Dalhousie Medical New Brunswick, and New Brunswick Community College Allied Health Programs. The city of Saint John has all the amenities of a large urban centre but maintains the friendliness and charm of a small city. Situated on the Bay of Fundy, Saint John is well-known for its historic architecture, high tides, thriving arts and culture community.

Review of applications will begin March 18, 2018. Applicants should submit a curriculum vitae, a statement of nursing practice expertise, and teaching interest along with the names and contact information of three references to the address below. Only short-listed candidates will be contacted for an interview.
