

**Our vision:**

Excellence in simulation education and research through networking

**Our mission:**

To connect nurse educators and allied health partners from across Canada and beyond to share knowledge, resources and expertise in areas of simulation research and education

**Our values:**

Collaboration, mentorship, innovation, scholarship

**Co-Presidents:**

**Marian Luctkar-Flude, RN, PhD, CCSNE**

Associate Professor

Queen's University School of Nursing

Email: [mfl1@queensu.ca](mailto:mfl1@queensu.ca)

**Jane Tyerman, RN, PhD, CCSNE**

Assistant Professor

University of Ottawa, School of Nursing

Email: [jtyerman@uottawa.ca](mailto:jtyerman@uottawa.ca)

### **Educational resources**

- peer-reviewed simulation scenarios
- virtual simulation games
- alternate experiential learning activities
- bilingual resources (French and English)

### **Faculty Development**

- webinar series
- simulation design and facilitation workshop
- virtual simulation game design workshop

### **Networking**

- membership list
- research interest group
- newsletter

**Please Join CAN-Sim at [www.can-sim.ca](http://www.can-sim.ca)**  
**General membership is free**

**To access the virtual simulation games site resources, follow the steps below:**

**Username:** Tempuser

**Password:** CANSimVSGtemp

Go to [www.can-sim.ca/games](http://www.can-sim.ca/games)

1. Click **Profile** to login
2. Select the **Scenario** tab to see the courses
3. Select the **course (Name in red)** you want to access where you will see an overview description
4. Click the **Enroll** button to gain full access
5. Click the **Background** tab to access course resources.
