

997297: Faculty Lead in Simulation (Nursing)

The School of Nursing and Midwifery, Faculty of Health, Community and Education at Mount Royal University invites applications for a limited term position which will commence August 15, 2021, subject to final budgetary approval, at the Rank of Assistant Professor.

The School currently offers degree programs in Bachelor of Nursing and Bachelor of Midwifery, and certificate programs in Advanced Studies in Critical Care Nursing and Bridge to Canadian Nursing. To learn more about the Faculty of Health, Community and Education, refer to our 2024 strategic plan, [Ani to pisi \(spiderweb\)](#).

About the Role

To advance simulation learning in the SoNM, including contributing to a vision for simulation education, increasing capacity for faculty members to engage in simulation and collaborating with the Chair in Older Adult Health to advance simulation in older adult health.

This is a part-time (17.5 hours per week) two year limited term.

Main Responsibilities

- Lead simulation expansion
- Inter-professional educational collaboration
- Support the role of simulation in Curriculum
- Collaborate and establish connections with organizations
- Maintain membership on committees that impact simulation

Qualifications

- RN with CARNA registration required
- Minimum of a Master's degree required
- Recognized simulation credentials required
- Experience with simulation education required
- Expertise in program development an asset

New faculty are hired into one of two work patterns. The teaching/ scholarship/ service pattern (TSS) has a focus on teaching with the requirement that the faculty member be involved in a research program as well as service to the Mount Royal community. The teaching/ service pattern (TS) has a focus on teaching and service only. The successful candidate will be hired into the teaching/scholarship/service pattern (TSS).

A Ph. D. is preferred; a Master's degree is required. The successful candidate should have a minimum of five years simulation experience with at least three years in simulation education.

Closing Date: May 21, 2021

For further details and to apply: <https://mtroyalca.hua.hrsmart.com/hr/ats/Posting/view/1256>

A complete dossier should be submitted including curriculum vitae, list of three (3) references, evidence of teaching excellence, and, if the teaching/ scholarship/ service (TSS) pattern is desirable, evidence of intent to pursue a research program. Please title your .pdf document as follows: [Last Name], [Requisition Number], [Document].pdf (ex. Smith, 999999, CV.pdf).

All job postings are developed jointly by the hiring unit and Human Resources. Human Resources has final authority and approval on all postings. The posting draft should be sent erecruiter@mtroyal.ca when the requisition within eRecruiter is created.
