Sentinel U®
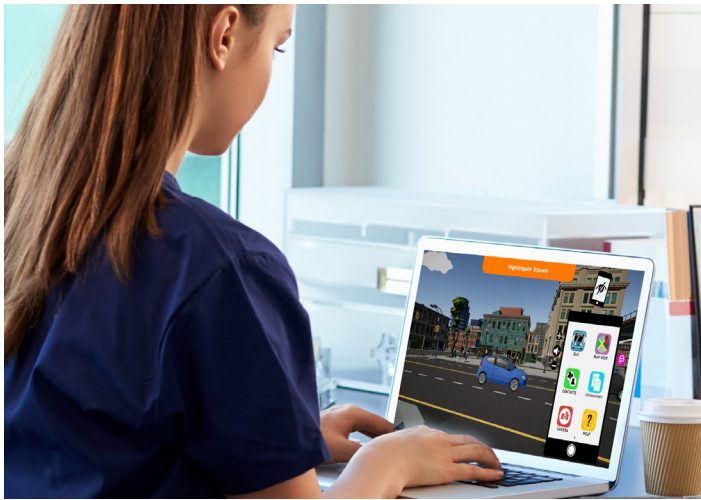

# MULTI-SITE STUDY SHOWS SENTINEL CITY® BUILDS NURSE CONFIDENCE

Researchers from Dalhousie University, McMaster University, Fanshawe College, Nipissing University, St. Lawrence College, University of Windsor, British Columbia Institute of Technology, Lakehead University, St. Claire College, and the University of British Columbia evaluated the impact of Sentinel City® on learning outcomes for nursing students enrolled in community health nursing courses, and revealed that participants demonstrated high confidence in many areas, including:

› **Communication**
› **Collaboration**
› **Leadership**
› **Legal**
› **Ethical and Professional Accountability**
› **Critical Thinking**

LEARNING OUTCOMES

Knowledge/Critical Thinking

Chart categories (y-axis): Knowledge about CHN process; Population health assessment; Planning a population health intervention; Integrating principles of PHC into practice; Applying a population health perspective; Recognizing health inequities

x-axis: 0 10 20 30 40 50 60 70 80 90 100

Legend: ■ Not Confident ■ Slightly Confident ■ Neutral ■ Confident ■ Very Confident ■ Prefer Not to Answer
