Council 2025 

2025 CASN Council Program

General Information

The Annual General Meeting and elections take place at the Council meeting, along with the Undergraduate and Graduate Education Forum.

The annual CASN Council Meeting is an opportunity for nursing administrative leaders and faculty to discuss issues facing nursing education and to collaborate with other educators in Canada. Each member school is invited to bring associate, assistant deans, directors, and faculty members to the Council meeting, in addition to the voting dean, director, or chair.

Shape the future—in the language of your choice!

We encourage participants to engage in the official language of their choice. Simultaneous translation using Wordly will be available during the meeting. Please bring a mobile device/laptop and headphones to access the translation.

All times are in Eastern Standard Time (Ontario/Quebec time).

Thursday, November 13
